The Calicut City Service Co-operative Bank is No. 1 among 1600 odd primary co-operative banks in terms of deposits.  
In just 14 years, the bank, which was registered in July 2002, achieved 2862.31 crores turnover in the FY 2015-16;  
a source of inspiration for other regional bankers. Not to mention, being promoted to a 'Class I Special Bank' and holding  
the title of 'Super Grade Bank'. The bank is renowned, not just for its public welfare schemes & policies undertaken in the  
co-operative sector of Calicut, but the whole country.

The Cancer and Allied Ailments Research (CARE) Foundation was initiated by the Calicut City Service Co-operative  
Bank. The foundation has set up a 300-crore world-class cancer centre in the district of Calicut - MVR Cancer Centre &  
Research Institute - in Chooloor, near Chathamangalam panchayat. Certainly the biggest healthcare facility initiated by  
the co-operative banking sector, MVR is part of the government's special infrastructure and social scheme, Mission 676,  
that was implemented in 2015.

Dear Friend,

Calicut City Service Co-operative Bank Ltd., an influential institution in the district of Calicut, is launching its latest initiative, MVR Cancer Centre and Research Institute, under the guidance of Care Foundation.

The Hon’ble Chief Minister of Kerala, Shri. Pinarayi Vijayan, will be the chief guest and will inaugurate the worldclass cancer centre on Tuesday, 17th January, 2017 at 3 pm. MVR Cancer Centre is all set to be a milestone in the healthcare sector of India. The foundation stone for the cancer centre was laid by then Chief Minister, Shri. Oommen Chandy on 13th November, 2015. Completing its construction in less than 15 months, MVR stands toe-to-toe with the advancements in cancer treatment achieved in the West. This, along with the hospitable environment provided at the facility, makes cancer treatment a lot more compassionate and less demanding for the patients. The mission of this facility is to provide world-class cancer treatment and care at the least possible cost to the poorer sections of the society. Here is soliciting your support for this heartfelt and genuine initiative. We would like to express our gratitude for your encouragement and good wishes and hope for the same, in the future. We cordially invite you for the inaugural ceremony of MVR Cancer Centre and Research Institute. Kindly grace us with your presence on this special day.

Warm regards,

**C. N. Vijayakrishnan, Chairman**
